- Factors pertaining to own practice that contribute to professional satisfaction (at present and throughout their career);
- Factors generating discomfort or frustration
- Factors hindering your work and performance that should be improved
- Aspects in your working environment that should be improved
  
- Does your job influence in a positive or negative manner your personal wellbeing? In what ways?
- What would you need to feel professionally fulfilled?
- What measures are you taking to fulfil those needs?
- If given the chance, what would you require from the educational administrators?
- If your current circumstances at work remain unaltered, how do you imagine yourself in a few years regarding both professional and personal wellbeing?

## OBSERVACIONES

- Trate, en la medida de lo posible, de enumerar los distintos factores por orden de importancia en cada caso.
- La narración puede ir incluir referencias a experiencias concretas (indicando el año aproximado en que sucedieron).
- Por favor, distinga claramente entre las cuestiones generales de su profesión y **aquellas específicas relativas a su papel como docente de lenguas (le agradeceríamos que dedicara al menos parte de su narración a hablar de dichas necesidades específicas como profesor de lengua extranjera).**
